GENERAL INFORMATION

- Please read all information on this form before completing.
- **Type or print in ink.**
- This is an original examination application and should be submitted *only* if you have not applied for this examination within the past two years. You may not be scheduled for more than one salesperson examination date at a time; therefore, do not submit more than one application.
- If you are simultaneously making application for both the salesperson and broker examinations, you must submit a separate package including qualifying documentation and fees for each examination to be scheduled. Fees are not transferrable from one exam to another and will not be returned.
- If you electronically recreate this form to facilitate completion on a computer, please be advised that the form should not be altered in any manner. To do so, could result in disciplinary action. Also, please make certain you do not delete any pre-printed information and are using the latest version of the form.
- If you do not qualify for the examination, you may submit any additional needed requirements within two years of the date when your application is received without an additional fee. Failure to qualify and pass the examination within two years of the date your application is received will require a new application and fee. Applicants may also be required to submit additional qualification documentation.

- Please do not call this office regarding your examination, unless your application has been on file for at least two to three weeks. Your examination will normally be scheduled at least two weeks after your application has been received and processed.
- For security reasons you cannot inspect your test materials after the examination session has ended (*Section 1798.40(e) of the California Civil Code*).
- Please enter your personal mailing address on line #4. Use of a real estate school/business mailing address may cause a delay in mail delivery.
- The name you use on your examination application must be your legal name. Clarification and substantiation *will be* requested if there are discrepancies between the name on your application and the name on your transcripts.
- You may use a slide rule or a silent battery-operated calculator which does not have print out capability or have an alphabetic keyboard.
